

## SCHOOL DISTRICT 82 (COAST MOUNTAINS)

### Students and Programs

#### 1410: Student Contests

##### Policy

Definition: the participation of students in contests, other than fund raising, which are initiated by outside agencies.

The Board supports the participation of students using instructional time to promote themes, programs, or contests initiated by outside agencies when such activities can be included in the curriculum without interrupting the sequential development of the education program.

##### Regulations

1. Teachers and principals should carefully consider the educational value of each contest or request.
2. Teachers and principals should not feel obligated to participate in contests or requests.
3. The decision on each request is the responsibility of the school principal.
4. Participation in contests shall be non-partisan and related to curriculum.
