

SCHOOL DISTRICT 82 (COAST MOUNTAINS)

Educational Administration

2215: Occupational First Aid

Policy

The Board of School Trustees believes that as many employees as possible should have valid first aid certificates.

Regulations

1. The Board of School Trustees will underwrite the cost of an occupational first aid course for employees who apply to the Board before the commencement of such a course to a maximum of three employees per school per year, or as otherwise agreed to in a collective agreement or union contract.
