

Coast Mountains Board of Education
School District 82

2000 Educational Administration

2800 **Fees & Deposits**

Date Adopted: Nov. 7/07

Responsibility Centre: Assistant Superintendent

Policy

The Board shall provide free of charge, to every student, of school age, resident in the school district and enrolled in an educational program:

1. instruction in an educational program to meet the general requirements for graduation set out in the Orders of the Minister, and
2. educational resource materials necessary to participate in an educational program.

Regulations

The Board may require refundable deposits for educational resource materials.

The Board may charge fees for materials and supplies intended for a students' personal use. The Board will not, however, charge fees for required course materials or activities.

No student shall be denied access to a course or program because of an inability to pay required fees and/or deposits.

Each school principal shall ensure that a process is in place at the school to facilitate participation of students who would not otherwise be able to participate in courses or activities due to financial hardship.
