

SCHOOL DISTRICT 82 (COAST MOUNTAINS)

Facilities, Grounds, and Equipment

7400: Grounds Development

Policy

The Board of School Trustees will develop the grounds of all schools to meet minimum uniform standards and will attempt to provide recreational opportunities for all students on an equitable basis.

Regulations

In directing the work of grounds development, the Maintenance Superintendent shall—

1. maintain playing fields by frequent clipping and a seasonal program of liming, fertilizing, and spraying weeds,
2. ensure that the grass areas at the schools are adequately watered in summer,
3. maintain fixed play equipment in good condition,
4. develop attractive settings of shrubs and lawns to blend with school building designs and their surroundings.
