

Principals Message:

Welcome Back,

On behalf of the staff at BVS, we extend a warm welcome to all our students. We hope that all our students will find our school to be a warm and friendly place in which to learn social participation, develop positive character traits, enjoy extra-curricular activities and achieve academically.

With the belief that "It takes a whole community to raise a child," our school is trying to develop the essential components of a community school: the learning program, family and community involvement, integrated services and community development.

BVS is a school we can be proud of, but it takes teamwork and effort by everyone in order to maintain standards of excellence. Collaboration of staff, students, families and the community is essential if our school is to realize its full potential. We ask that students encourage their parents to become an integral part of our school.

Sincerely,

Lionel Brideson, Principal BVS

We would like to welcome Kelsey Cooper to Bear Valley school....

Hello parents and guardians!

My name is Kelsey Cooper and I'm the newest member of the teaching staff at Bear Valley! I am fresh out of teacher's college in Ottawa, ON and will be teaching K/1/2 P.E, 3/4 Social Studies, and acting as the learning support teacher. My specialty is in senior History and English so teaching Elementary is a whole new world for me and I am loving the energy and enthusiasm of the younger students! Thank you for the privilege of allowing me to work with your children every day, I hope to meet you all soon! - Kelsey

Vesey Bulb Orders

We are once again doing the Fall 2017 Vesey's fundraiser to support technology in the classroom. The catalog has been sent out to all parents by email. Please check your son or daughters backpack for the order sheets. Order forms can also be picked up at the school office.

Orders are due into the office by September 30th.

Thank you for your support!
