A look at September

PEACE DAY ASSEMBLY

Students had a very exciting opportunity to work with performing arts professional, Valerie Christiansen for a week, learning the art of theatre, which ended in the entire school performing the play *The Little Prince*. The play was performed in both English and French. A huge thanks to Ms. Christiansen and thanks to all the parents who came out to enjoy the production. The concert ended with a beautiful song about Peace.

What is Dash? Dash is an “After School Sport and Arts Initiative” support program for students. The aim is to help students develop skills that will contribute to a healthy, expressive life through creative thinking and physical activity. At the same time, students develop confidence in their abilities and a stronger connection to their schools, classmates, program leaders and community.

DASH is a free after school program run at Kildala School by Kildala staff members, children will be offered a variety of activities to get them moving, learning skills and cooperation, while having fun. Kildala school rules also apply to the Dash program. Our Leaders have HIGH FIVE Certification.

IF YOUR CHILD IS INTERESTED IN PARTICIPATING, PLEASE FILL OUT THE PERMISSION SLIP ON THE BACK AND RETURN TO THE OFFICE as soon as possible as space is limited. A snack will be provided each session. Please provide information on any food allergies your child may have on the permission slip.
