

**District Parent Advisory Council (DPAC) of CMSD
and SD#82 are pleased to collaborate to present *Shelley Moore.***

Shelley is a strong advocate for Inclusion in Education.

She is helping teachers in our district to support children and youth who have special needs in classrooms and the District has graciously opened the door for parents and community to hear her speak. Shelley is knowledgeable, insightful, and a creative person who is sure to share critical information and at the same time, leaves her audiences feeling a sense of endearment to her for her honest passion. Parents and professionals alike learn about how to include children and youth in education.
