

BOARD OF EDUCATION VALUES

Innovation By encouraging curiosity and a spirit of inquiry we embrace innovative ideas.

Student Centered Learning is at the core of all we do.

Diversity Engaging all learners and staff we serve a diverse, dynamic community that is welcoming and inclusive of all.

Collaboration Working together we maximize opportunities to create meaningful connections and a sense of belonging.

Respectful We treat everyone with respect and fairness. We honour and celebrate individual differences.

Integrity We are honest, transparent, accountable and ethical.

Relationship We foster positive relationships with students, staff, parents and community.
