HOME / SCHOOL COMMUNICATIONS

The Board of Education encourages parents and guardians to discuss their interest regarding their children's education as early and as directly as possible. The following steps are suggested:

1. Discussion with teacher;
2. Discussion with principal;
3. Submission of the concern in writing to the Superintendent of Schools.

Most concerns can be dealt with at the source and this is the best place to seek solutions. Should the parent/guardian not find satisfaction, they are encouraged to proceed to the next step to seek a solution.

VANDALISM

The Board of Education is appreciative of the pride shown by students, parents and teachers in keeping our schools and grounds clean and well maintained. Your continued assistance will further reduce the vandalizing acts of a few that destroy public property.

If you see anyone engaged in acts of vandalism or acting in a suspicious or questionable manner, please telephone your local RCMP. School facilities belong to all of us.

YOUR CO-OPERATION SAVES TAX DOLLARS!
