MS. KNOWLES

Hello parents and guardians of Kitwanga Elementary School!
 I wanted to take the time to introduce myself...My name is Sarah Knowles and I am working with your children on Tuesdays and Wednesdays. I am from Ontario but have been living out in British Columbia for a few years now. I teach the children of Kitwanga social studies and/or science and am really excited about hands-on learning! Ask your kids, and I'm sure they will tell you about some of the fun projects we have worked on lately!

GRADE 1/2/3

Important Reminders for Term 2 in the grade 1/2/3 class :)
 - Please encourage your child to arrive at school on time every day!
 - Spelling tests are every Friday! Please practice the spelling words with your child every night and have them complete the assigned work in the spelling folder.
 - Homework folders and Reading Logs are sent home on a daily basis. Please continue to encourage your child to complete the assigned work!
 Did you know...Your child gets to work in a small group with their teacher for reading three times a week.
 Children are assigned groups that are targeted to meet their needs and to help them succeed in reading. Small groups help teachers to push students to their full potential.

Thank you.
 Ms. Ganji
