WORRISOME VIDEO POST – CALEDONIA SECONDARY SCHOOL **OCTOBER 26, 2019**

A safety concern was brought to our attention that involved threat related behaviour at Caledonia Secondary School late Saturday, October 26. School administration were alerted to a YouTube video posted by a student that contained some worrisome content.

We immediately activated our multi-disciplinary Violence Threat Risk Assessment (VTRA) process which involves police and other key community partners. The threat was assessed and steps were immediately taken to address the concern and ensure appropriate supports were in place for all concerned.

I want to assure you that all staff and students are safe. We take every precaution to ensure the safety of our students and staff and we take any reported act of violence very seriously. Police continue to work closely with us as we respond to this incident.

If you are a parent or guardian of a student at Caledonia Secondary School, please feel free to contact the school administration if you have further questions or concerns.
