

# SCHOOL OPENING - SEPTEMBER 7, 2021

For the communities of **Terrace/Thornhill**

## WELCOME BACK!

It is with optimism and gratitude that I welcome you to the 2021-2022 school year. I am optimistic that our school year will be safe, caring, and engaging. I am grateful as we will see most learners in schools and engaged in learning.

This message does not include details on our return-to-school safety protocols. This information was not available at the newspaper deadline. When the protocols are released, they will be posted to the school district's website at [www.cmsd.bc.ca](http://www.cmsd.bc.ca) and shared by schools with staff, parents/guardians and students.

We understand that there may be individuals (students, parents/guardians, employees) who are anxious at the thought of returning to school in September. This is to be expected during a global pandemic. Whether or not your child attended school last year in Coast Mountains School District 82, you can rest assured that students will be welcomed and accepted at their schools regardless of where they might be at in their learning. We welcome children to school and will facilitate their growth along the continuum of learning. We will meet your child where they are at in their learning.

Please visit our school district's website for helpful "return-to-school after COVID" tips for parents and guardians.

Parents can expect that schools will be focussing on individual students realizing their potential in an environment that is safe, culturally aware, and respectful and welcoming of diversity.

Welcome to the new school year! We look forward to seeing you in September.

Sincerely,  
Janet Meyer  
Superintendent of Schools
