

# Choices for Parents/Guardians in British Columbia for Educating Their Children

*\*Please note that Remote Learning offered in Spring 2020 due to COVID-19, will **not** be offered as an option for this school year.*

## Brick and Mortar (Traditional School)

Students attending their neighbourhood school.

Option 1

For more details visit:

[BC's K-12 Education Restart Plan](#)

## Distributed Learning

Coast Mountains School District 82 will have course offerings in distributed learning for students in Kindergarten to Grade 12.

Option 2

To register in CMSD82 for Distributed Learning, please go to

<https://ncdes.ca/>

## Homeschooling

An alternative method of teaching where the parent or guardian delivers an educational program to children at home. Parents/Guardians must register their homeschooled children by September 30, 2020.

Option 3

For more information visit:

[Homeschooling in BC](#)

*\*If you are a parent or guardian who lives on-reserve, unique education opportunities may be available for your child(ren). Coast Mountains School District 82 with your community's First Nations Education Coordinator are exploring these options. Please contact your First Nations Education Coordinator for more information.*
