## Around the School

### Ha'lilaxsimaay

Mrs. Dowse has been busy teaching Seasonal Rounds to all classes, starting with Ha'lilaxsimaay

Mr. Chapman and Mr. Feddersen's classes learned a traditional method for preparing salmon. The general opinion was that it was delicious!

Mrs. Segovia and Mrs. Pushong's class worked hard to make blueberry fruit leather, which they will enjoy in the winter. Our younger grades sampled some berries after being read the story *Blueberries for Sal*.

## Terry Fox Run

Despite the drizzle, the students and staff of TPS participated in our Terry Fox Run on a Thursday afternoon. Congratulations to everyone who achieved a personal best in the number of laps they ran! The school raised \$325 for the Terry Fox Foundation.
