Winter Clothing

At EMV we make every effort to go outside during the day. We will only resort to staying inside if the windchill becomes too much of a risk for students. The best way to have fun and stay safe outside during recess time is being prepared for the weather. We encourage all students to bring and wear what they need to be comfortable outside.

It's also a really good idea to bring extra clothing items that can be left at the bottom of your child's backpack... just in case.

LAYER UP!

Lost and Found

All lost and found items are available to be picked up. Please ask your child to have a look for their missing items on the table in the office.

If you label your child's garments with their name... it makes getting it back to them easy peasy.

Virtual Christmas Concert

Students, Teachers, and Mme. Robertson are hard at work recording our virtual Christmas concert. The plan is to host the videos on Microsoft Teams. You will hear from us when we have it all figured out. Mme Robertson is also going to put the Remembrance Day Imagine presentation on Teams.

Gum Chewing Day

Students from Mme. Fortin-Koga's class are once again fundraising! This month all proceeds go to SkeenaWild. To participate students must purchase a licence to chew, which comes with 2 pieces of gum. Students can also bring extra gum to chew if they wish.

The last day to purchase a licence is on December 14th. The licence come with all the rules and regulation for chewing.
