REPORTING STUDENT PROGRESS

Many of our teachers have been piloting the draft student reporting policy that focuses on descriptive feedback using the Provincial Proficiency Scale this year. Brief descriptions of the four categories of student performance have been included at the top of every student report card this year. All teachers will be required to follow this policy for the 2022-2023 school year. More information can be found here [Draft-K-12-Student-Reporting-Policy.pdf \(gov.bc.ca\)](#)
