

Skeena Middle School

BUILDING RELATIONSHIPS,
MAKING CONNECTIONS

Connecting...

To Culture

Skeena Middle School exists on the traditional, unceded territory of the Tsimshian Nation

- Nearly 50% of Skeena's learners are of Indigenous ancestry
- Our learners and staff represent a diverse range of Indigenous nations

Each grade level at Skeena is supported by one of our three Indigenous Support Workers

Indigenous students are encouraged to explore their culture, while non-indigenous students learn about and celebrate indigenous cultures

Cultural Learning Opportunities

A range of cultural activities are available to students: from drumming, to weaving, to indigenous art, among other things

Connecting...
