Bear Valley School

Stewart, BC

K-5 Supply List

This year, we will be using a class supply method for most of the elementary classes again. (**Primary-Kindergarten & Grades 1-3 and Intermediate-Grades 4&5**) This has proven to be very successful for providing students with what they require to do their work, while reducing the waste of supplies.

Class sets of supplies will be purchased by the school and replenished when necessary, throughout the year.

Parents will be responsible for:

- One pair of indoor running shoes (Non-marking soles)
- Basket/Bin for the mudroom
- Water bottle
- One box of Kleenex

Supply cost for K-2 students: \$45

Supply cost for Gr. 3-5 students: \$55

We apologize for the price increase from last year however, prices of supplies have also increased in this past year. Thank you for your understanding.
