Bear Valley School

Stewart, BC

K-3 Supply List

This year, we will be using a class supply method for most of the primary classes again. This has proven to be very successful in providing students with what they require to do their work, while reducing the waste of supplies.

Class sets of supplies will be purchased by the school and replenished, when necessary, throughout the year.

Parents will be responsible for:

- One pair of indoor running shoes (Non-marking soles)
- Basket/Bin for the mudroom
- Water bottle (no glass)

Supply cost for K-3 students: \$50
